

RACE & SPORTS BOOK

Fact Sheet

ABOUT

The M Resort Race & Sports Book is operated in partnership with Cantor Gaming, an industry leader in the mobile gaming market. Designed with guest comfort in mind, the race and sports book offers traditional and VIP lounge seating to create a relaxed atmosphere where service is just as important as the game. With an adjacent access point and easy access to parking, the race and sports book is convenient for bettors making a quick stop or an extended stay to enjoy the M Resort's amenities.

IN-RUNNING BETTING

The race and sports book offers state-of-the-art technology. In March 2009, M Resort became the first U.S. casino to offer 'In-Running' betting – wagering on live sporting events *throughout* the event, in addition to traditional pre-event wagering – at its race and sports book. This allows bettors to make educated decisions about how the game is shaping up and place additional bets during the event based on the action.

MOBILE GAMING

In addition to 'In-Running' betting, the M Race & Sports Book also offers mobile sports gaming on your personal Android devices as well as casino games on a palm-sized device called eDeck. Guests can obtain an eDeck device from the Race & Sports book counter and use the device within the race and sports book, poker room, 32° Bar, M Bar and Lobby Bar. Mobile Sports wagering can be done anywhere on property, and offers the entire menu of wagers that can be done in the sports book. Complete details can be obtained at the sports book.
